

FOREIGN MILITARY ATTACHE AND ADVISORS CORPS BRIEFED ON AAD 2008

On 16 October 2007 the AAD 2008 organising team made a presentation to the foreign Military Attache and Advisors Corps (MAAC) based in South Africa.

The MAAC meet on a monthly basis to discuss issues of mutual interest and the October meeting provided the ideal opportunity to the AAD 2008 organizers to inform them on the current status regarding the planning for AAD 2008.

Information regarding the venue, various service providers, exhibition layout, chalet line and details relating to potential visiting delegations/guests were conveyed.

This opportunity was utilized to present AAD 2008 promotional material to all the attendees who were also informed that a follow up briefing to them will take place in 2008 when details regarding participating companies/groups, trade visitors and delegations, country pavilions as well as the exhibitor program will be communicated to them.
